In this case, your dentist will refer you, where available, to a fully qualified specialist in the DHMO network who specializes in the care you need. Depending on your plan of coverage (refer to your Schedule of Benefits and Copayments), treatment provided by a specialist may require plan authorization. Under such circumstances, the plan will pay up to a maximum of \$50.00 per contract year per person. A written itemized statement for these services must be presented to TDAHP for reimbursement. If it is necessary to have additional treatment, it must be done by your general dentist.

IX. SCHEDULING AN APPOINTMENT

After your plan becomes effective, you can schedule an appointment by contacting your selected general dentist. Your dentist will offer you an appointment generally within thirty (30) days of your call or within 24 hours for emergency care. Most dental appointments are scheduled Monday through Friday during regular working hours. Each dentist is an independent practitioner who establishes his or her own hours. Call your general dentist to ask about office hours and the availability of emergency dental services.

X. PLAN IDENTIFICATION CARD

Although an ID card will be issued to you, it is not necessary in order to receive dental care from your general dentist. Your name will appear on an eligibility list, which is sent to your selected dentist each month.

XI. WORKERS' COMPENSATION EXCLUSION

Expenses for which payment is required under applicable Workers' Compensation statutes are not eligible for payment under this dental plan.

XII. COORDINATION OF BENEFITS

This Coordination of Benefits (COB) provision applies to this plan when a member and/or subscriber has other dental care coverages. In the event benefits apply under two or more dental care coverages, each plan determines its order of benefits using the first of the following rules that apply:

- A. **Non-Dependent or Dependent:** The plan that covers the person other than as a dependent, such as an employee, member, policyholder, retiree or subscriber, is the primary plan and the plan that covers the person as a dependent is the secondary plan.
- B. **Child Covered Under More Than One Plan:** Unless there is a court decree stating otherwise, plans covering a child shall determine the order of benefits as follows:
 1. For a child whose parents are married or living together if they have never been married:
 - a. The plan of the parent whose birthday falls earlier in the calendar year is the primary plan; or
 - b. If both parents have the same birthday, the plan that has covered the parent longest is the primary plan.
 2. For a child whose parents are divorced or separated or are not living together if they have never been married:
 - a. If a court decree states that one of the parents is responsible for the child's healthcare expenses or healthcare coverage, the responsible parent's plan is primary.
 - b. If the parent with responsibility has no healthcare coverage for the child's healthcare expenses, but the spouse of the responsible parent does have healthcare coverage for the child's healthcare expenses, the responsible parent's spouse's plan is the primary plan. If a court decree states that both parents are responsible for the child's healthcare expenses or healthcare coverage, the provisions of R590-131-6.B.1. shall determine the order of benefits.
 - c. If a court decree states that the parents have joint custody without stating that one parent has responsibility for the healthcare expenses or healthcare coverage of the child the provisions of R590-131-6.B.1. shall determine the order of benefits, or
 - d. If there is no court decree allocating responsibility for the child's healthcare expenses or healthcare coverage, the order of benefits for the child are as follows:
 - i. the plan covering the custodial parent;
 - ii. the plan covering the custodial parent's spouse;
 - iii. the plan covering the non-custodial parent; and then
 - iv. the plan covering the non-custodial parent's spouse.
 - e. For a child covered under more than one plan, and one or more of the plans provides coverage for individuals who are not the parents of the child, such as a guardian, the order of benefits shall be determined under R590-131-6.B.1. or 2. as if those individuals were parents of the child.
- C. **Longer or Shorter Length of Coverage**
 1. If the preceding rules do not determine the order of benefits, the plan that covered the person for the longer period of time is the primary plan and the plan that covered the person for the shorter period of time is the secondary plan.
 2. To determine the length of time a person has been covered under a plan, two successive plans shall be treated as one if the claimant was eligible under the second within 24 hours after coverage under the first plan ended.
 - a. The start of a new plan does not include:
 - i. a change in the amount or scope of a plan's benefits;
 - ii. a change in the entity that pays, provides or administers the plan's benefits; or

- iii. a change from one type of plan to another, such as, from a single employer plan to a multiple employer plan.
- b. The person's length of time covered under a plan is measured from the person's first date of coverage under that plan. If that date is not readily available, the date the person first became a member of the group shall be used as the date from which to determine the length of time the person's coverage under the present plan has been in force.
- c. If none of the above rules determine the primary plan, the allowable expenses shall be shared equally between the plans.
- d. If the plans cannot agree on the order of benefits within 30 calendar days after the plans have received all of the information needed to pay the claim, the plans shall immediately pay the claim in equal shares and determine their relative liabilities following payment, except that no plan shall be required to pay more than it would have paid had it been the primary plan.

XIII. THIRD PARTY RESPONSIBILITY
